Club News and Events

The trails are still in great condition despite the melt down and refreezing in mid February. They remain 95% snow covered with a bit of ice in some corners. We continue to groom as conditions permit. Let's hope we get some more fresh snow soon!

February was a busy month for the snowmobile club with several fun events taking place. Reservoir Riders was happy to help out the 2011 Blizzard Tour ride for ALS. We set up a hospitality trailer at the Normanna Pit end of our trail where we provided Old Wisconsin Meats brats and hotdogs, hot beverages, and a toasty fire for the riders. It was a big success with lots of happy riders stopping for food and visiting on the trail. This year the tour raised an amazing \$650,000! Congratulations!

Also in February, the annual Fish Lake Challenge Vintage Snowmobile ride took place. In conjunction with this event, the club again set up a food trailer with Old Wisconsin Meats, held a raffle, and provided a hot fire that was very popular with the sub zero temperatures on that day. The parade of classic sleds was a fun blast from the past and a great reminder of the history of our sport. Congratulations to all the ride participants – you are a hearty bunch, it was really cold!

The KC Pro East kids ice racing event was also held on Fish Lake that day and the competitors and their families enjoyed the use of the Reservoir Riders clubhouse for their dinner and awards banquet. Way to go kids!
